Create an Account

Basic information is needed to create an account. At this time, the Password recovery is still working in progress. Thus, it is important to enter your information carefully.

The screenshot shows a mobile application interface for creating an account. At the top, the status bar displays the time 9:32, signal strength, Wi-Fi, and battery icons. The title 'Create an Account' is centered. Below the title are four input fields: 'Display Name', 'Email', 'Password', and 'Repeat Password'. A dark red 'Register' button is positioned below the 'Repeat Password' field. At the bottom, there is a link for 'Terms of Use and Privacy Policy' and a white button with the text 'Have an account? Sign In'. Red arrows point from the explanatory text on the right to each of the input fields and the 'Register' button.

Enter your First Name and Last Name Initial here

Make sure you correctly enter KSU email

There's no requirements for the password; make sure it is something you can remember

Re-enter password

Once all the fields are completed, you can Register

Teacher User

Homepage

The Homepage is the Practice Plans screen. Here you will see the Practice Plans you created.

Creating a Practice Plan: Part 1

A Practice Plan contains the group of exercises you would like to assign to students.

To create a new practice plan, tap the plus button.

Tap to create a new Practice Plan

Creating a Practice Plan: Part 2

You need to first create a Practice Plan before creating and assigning exercises.

All the fields are required. If you have not created a Practice Plan type, visit [Manage Practice Types](#).

Code: The Practice Plan code is used by students to register for Practice Plan. A suggestion is to create a code that is simple and uses the semester & section.

10

Enter Name of Practice Type here

Enter Name of subgroup here

Update Practice Types: Part 1

To update a Practice Type, Press & Hold the Practice Type you want to update. Then, you will get a screen to update.

18

← This is a Practice Type with the Name, 'Fundamentals' and the Sub-type 'Freedom'

← This is a Practice Type with the Name, 'Fundamentals' and the Sub-type 'Fronts'

Update Practice Types: Part 2

Make the changes you would like then tap Update. Otherwise, tap delete to Delete it.

The screenshot shows a mobile application interface for editing a practice type. At the top, the status bar displays the time 9:30, signal strength, Wi-Fi, and battery icons. Below the status bar is a navigation bar with a back arrow and the text "Update or Delete Practice...". The main content area contains two text input fields: "Name" with the value "Fundamental" and "Sub-Type (optional)" with the value "Freedom". Below these fields are two large, dark red buttons: "Update" and "Delete". At the bottom of the screen, a dark notification bar contains a yellow warning icon, the text "Found screens with the same name neste...", and a close button (X).
